podcasts

The Startup Success Podcast

help others

Contribute to open source projects,
answer questions on stack overflow
and /or build side projects that satisfy
a need

don't restrict yourself to one
platform

write code

"Always code as if the guy who ends up maintaining your code will be a violent psychopath who knows where you live."

John F. Woods

coding katas

workout

Richard Branson in an interview

Q: "How do you become more productive?"

A: "Work out."

(later elaborated: working out gave him at least four additional hours of productive time every day)

take breaks

Use the 80/20 principle

Invest in the best hardware and
software you can afford

Thanks! Questions?
